Provide a short summary of the types of services your company provides (100 words or less):

LearnPhase provides informative data to administrators, teachers and parents in a web-based application. Data is recorded, analyzed, and aggregated into reporting systems allowing for sound and dynamic instructional decision making.

Briefly describe your experience with charter schools, including a list of any charter schools in Utah you have provided services for:

I have served as a teacher and administrator for two charter schools. Currently I am providing service to Mountainville Academy.

Please list any other educational entities you have worked for:

Salt Lake School District

Currently I am providing service for

Granite School District Title & Indian

Education Program.
